"Strong and hearty boy, is it, and no pain? That's good!"

The joy of a new arrival in the family is usually obscured by the shadow of the pain and discomfort the expectant mother must bear.

If she knew of and used **"DOZON'S FRIEND"** this would be all dispelled. Tell your friends about it, as being a simple liniment, exclusively for external use, that relieves the muscles so that pain and suffering are unknown.

Would be sent by express, with no freight, at price, \$1.00 per bottle, with postage paid, for 10 bottles, \$9.00.

Buying a Piano

OF AN ORGAN is not like buying a pair of shoes or a hat, which you expect to wear out in one season. You expect a piano or organ to last a lifetime, and it should if you select a good one. I tell them that will last for several generations with proper care and the best part that makes you want it to last forever. I handle the best Pianos that are manufactured, buy direct from the manufacturers and sell at lower prices than any dealer in the west and as low as any in the United States.

When you are ready to buy, come in. I will be pleased to show you my line and can save you some money. I also have a fine line of Sewing Machines, Small Musical Instruments, Hand Instruments and Musical Merchandise.

We sell everything in Staple and Fancy Groceries, Fruits and Vegetables at positively the lowest prices. Not a few things cheap, but everything cheap.
